STABLE PLANS REGARDING BEAU-COUP UPSET.

Forced to Win From Faleada by Fulton ville's Rush-Jockey Mountain Exonerated-Roy Rainey Said to Have Lost 85 1,000 at Roulette-Gaps in the Stand

SARATOGA, Aug. 28 .- The racing here is dding up better than the attendance. Today, with big gaps in the grand stand and other enclosures, the six events brought some interesting sport, with a smattering of class in two of them. The Adirondack Handicap, for two-year-olds, which had a guaranteed value of \$3,000, was the feature of the after noon, and while it failed to bring out the sort of field it would have earlier in the meeting, it was made interesting by the starting of R. T. Wilson's Beaucoup, who is to etart in the Futurity.

There was a second string to Mr. Wilson's

bid to-day in Falcada, and a declaration was made to win with the last named, the intention evidently being to keep Beaucoup a maiden. The stable ran first and second, but plans miscarried as the Futurity candi-date was compelled to win. He was sent o the front from the start to make the run ning, and this he had no difficulty in doing, A furlong from the finish Falcada started to move up and it looked as if the carefully arranged plans would go through, but Ful-tonville held on in a way that bespoke danger, coup—went on and won. But his margin was only a head, with Falcada a scant half a length in front of Fultonville. The latter was pinned on the rail for a sixteenth and seriously hindered by the position he held. It was his prominence that brought about

the loss of Beaucoup's maiden allowance.

Charles Edward will go back to Sheepshead Bay far from the champion he was when he came here. He started in a mile handicap and was well supported by many who count as clever judges, but he trailed home last, long behind the field. He looks poor and ran even worse than he looked, He must have lost a hundred pounds or more during his stay here.

The stewards have about finished their

probing for evidence that might explain some of the riding of Jockey Mountain before he was dropped by his employer and horsemen generally. In the search they found one thing that looked bad, and a promi nent layer was called on for an explanation His sheet showed he had laid heavily against Okenite the day he was ridden by Mountain. but he explained this with a statement that \$1,500 of the money he took in was for another

This experated him, and it looks now as if Mountain will be permitted to resume riding after a heart to heart talk and a caution to be a little more consistent in the future. The name of the individual who laid against the colt has been mentioned in similar cases, but somehow he goes his way unmolested.

E. E. Smathers to-day purchased from F. A. Forsythe the three-year-old Rio Grande and from the Oneck Stable the two-year-old davotte, a sister to Black Fox. Jersey Lady, too, was transferred to him, but this deal may be declared off, as there has been some question as to the real ownership of the filly and it is understood that her entry was ordered refused by the stewards of the meeting. W. O. Joslin will train for Smathers. He will ship to Montreal to-morrow night. Koerner will go on to do the riding. This seems to mean that the boy has been re-

Notasulga, generally conceded to be the best of the two-year-old fillies, will not be shipped away for several days. She was ailing when brought here, improved some and began galloping, then went lame. An effort will be made to get her ready for the Beeles Stakes, which will be run at Sheepshead Bay on September 11.

Thomas Hitchcock, Jr., to-day got some consolation for the hard luck that has been coming his way lately. Garrett, carrying his colors, won the steeplechase, and between races Bayonet, whom Hitchcock purchased from F. Ambrose Clark about a month ago, was worked a mile and a quarter in 2:10 3-5, a pretty shifty move for a jumper or for any

Beacon Light was another to have a workout between races. His move was made TO-DAY'S CARD FOR EMPIRE CITY under Miller's piloting and he covered a mile being pointed for the Twin City Handicap, which will be run next Monday. This colt

s at his best just now.

Each day brings more talk of a dissolution of the Newcastle Stable. All interested admi that the entire list in training will be offered but from a reliable source comes a tale that buying-in comes the partnership will not be the same as at present The stewards deny positively that they are

investigating the riding of Jockey Beckman. The boy's riding in some races has been far from satisfactory. Security will leave here with a reputation

Security will leave here with a reputation as uncertain as was his form as a two-year-old. In some races he is a speed marvel: in others he is wofully lacking. But for his established reputation he would get his owner into trouble. Roseben goes back to Sheepshead Bay without having been seen with the colors up here. He has been going nicely and doing all that has been asked of him. Six furlongs in 1:15 1-5 is the best he has shown. He is fit and ready and will be at his best when he goes to the post. Boy Rainey during his stay here was a frequent visitor to the club house. He is credited with frequent séances et the roulette wheel and is said to have lost \$51,000.

BEAUCOUP WINS ADIRONDACK. Beats Stable Mate, Falcada, a Head at Saratoga.

SARATOGA, Aug. 28.-R. T. Wilson, Jr.'s. Beaucoup and Falcada, coupled favorites a 8 to 5, won the bulk of the \$5,000 purse Adirondack Handicap, for two-yearolds, six furlongs, here to-day. Beau-coup set a hot pace, followed by John coup set a hot pace, followed by John Sanford's Fultonville, backed from 8 to 4, but the former tired near the end and won only in a fierce drive from Falcada by a head, who got up in time to beat Fultonville a neck. Tenancy by Courtesy and Wave Crest, both well played, were badly beaten. The time

The biggest surprise of the day was the crushing defeat of Charles Edward, even money favorite in the handicap at a mile. He was leading at the half mile pole, but after that he sulked, and in spite of all that Knapp could do ran absolutely last. John Sanford's Kennyetto, 13 to 5, meanwhile went to the front when Charles Edward quit, and won in a hard drive by half a length from Tourence, backed from 6 to 9. The latter was four lengths in front of Zienap, 10 to 1. The time was 1.39.

lengths in front of Zienap, 10 to 1. The time was 1:39.

Frank Farrell and his friends won big money on the success of James B. Brady, who captured the first race, for two-year-olds, five and a half furlongs. The Farrell colt was backed from a to 5 down to even money. Miller broke him in front and he had no trouble in disposing of his field with a margin of four lengths over M. L. Hayman's Apple Toddy, 20 to 1. The latter heat Sanguine, 4 to 1, by a scant length. Blue Heron, backed down to 7, could not get up a gallop. The time was

lengths over M. L. Hayman's Apple Toddy, 20 to 1. The latter beat Sanguine, 4 to 1, by a scant length. Blue Heron, backed down to 7, could not get up a gallop. The time was 1307.

T. Hitchcock, Jr. S. Garrett, 11 to 5, second choice, was much the best in the steeplechase, at about two and a half miles, as he beat the tiring Rocket, 9 to 10 favorite, by three lengths in 5:27. Burnett, lowered from 30 to 15, was third, as Kernel, 4 to 1, threw his rider.

William Cahill's Security, backed down to 3 to 1, made a runaway of the third event, at six furlongs, winning in a gallop by four lengths. Lotus, 3 to 1, ran second, a length in front of Aster d'Or, backed down to 8. Botanist, 9 to 5 favorite, could not untrack himself. The time was 1:12 4-5.

Thomas H. Williams's Roalta, a 15 to 1 shot, managed to last long enough to win the last race, for maidens, at a mile, by a head from Howard Shean, 3 to 2 favorite, who beat Pins and Needles, 11 to 5, by a length. Sal Volatile, 11 to 5, led for seven furlongs and then quit. The time was 1:40. Four favorites were defeated over a good track. The attendance was very small. The summaries:

The cavalry is in second place with The United States Infantry and the Navy have 1,918 and 1,916 respectively, while Massachusetts is fifth with 1,904, Washington, sixth with 1,871, the United States Naval sota eighth with 1.862. sylvania next at 1,844, and the Jerseymer sylvania next at 1,844, and the Jerseymen following with 1,836.

The match opened with threatening clouds and an unsteady wind. The New York team drew an early target in the skirmish running and then had a wait of over two hours before it got on the rapid fire targets, where the teams went at half past 11. Many of the teams which are anxious to break camp on Saturday evening on schedule time desired Lieut.-Col. Evans, the executive officer, to allow them to go direct from skirmishing to rapid firing, but some Captains objected.

Favorites—Preston Fined \$100 and Set Down for the Meeting -Corrigan and Other Notables Visit the Yonkers Track

The largest weekday crowd that has been meeting opened was in attendance yesterday.
There were all of 15,000 persons in the enclosure when the first race was called, hundreds of turf patrons from Saratoga being in the throng. Edward Corrigan, the master of Hawthorne, who had not been to the track since 1900, when he raced his horses there, was a visitor; also Capt. Rees, a well known turf official, who may be in the stand at the Fair Grounds next winter; Starter A. B. Dade and other notables. The weather was per fect for racing and the track was in fine con dition. The betting was extremely heavy, and with the success of three favorites the crowd broke about even in the struggle with

Carthage was in great trim in the Mahone Handicap, at a mile and a sixteenth. He picked up 121 pounds, and solidly played at 8 to 5, he made all the pace, winning in a gallop by five lengths in 1:46. Lillie Turner, 7 to 1, closed with a rush in the last sixteenth and beat Edwin Gum, 7 to 2, a length and a half for the place. L. Williams's performance on Light Wool, 5 to 1, was a glaring bit of

after the start, to winin a gallop by five lengths in 1:07 1-5. N'Importe, 15 to 1, took the place from Ingraham, 12 to 1, by ten lengths.

After making all the pace to the sixteenth pole in the second race, at about six furlongs, Alencon, 4 to 1 favorite, weakened and Woodwitch, 6 to 1, beat him by two lengths in 1:09 3-5. Lee Harrison II., backed from 5 to 9 to 2, after a poor beginning ran third, two lengths back. Suffice, 30 to 1, had early speed but stopped. For breaking through the barrier and using intemperate language Jockey Preston was fined \$100 by the starter and set down for the rest of the meeting.

The books cleaned up in the third race, for three-year-olds, one mile and 100 yards, when Elfall, a half brother to Broomstick, quoted and neglected at 15 to 1, ran a clever race under Musgrave and beat Javanese, 4 to 1, by a length and a half. La Veita, who went up from 8 to 5 to 16 to 5 favorite, got a bad looking ride from Pohanka and was third. Lady Vera, reduced from 7 to 7 to 2, led to the head of the stretch and then blew up. Punky, lowered from 8 to 11 to 2, wheeled as the barrier went up. The time was 1:46 3-5.

J. Lee beat the barrier with R. L. Thomas's C. W. Burt, 9 to 5 favorite, and won the fifth event, for two-year-olds, at about six furlongs, in a romp by five lengths. Lee declared out with three and a half pounds overweight, but when he scaled after the race he was five pounds overweight. In olden times this would have resulted in the disqualification of the winner, but under the revised rules the was fined \$50 by the stewards. A ristotle, 2 to 1, after being interfered with by Beliphobe, \$to 1, for more than half the distance, came on and got the place from Silver Cup. 20 to 1, by a length and a half. S. S. Marshall, the trainer of Belphœbe. The time was 1:10 3-5.

Pohanka put up a queer ride on Woolstone, 3 to 2 favorite, in the last race, at a mile and three-sixteenths. He refused to take the rail, which was possible for at least half a mile, and then let King of the Valley, 7 to 2,

LARNED THE CHAMPION. Veteran Tennis Player Beats LeRoy. and Cup Is His for Good.

NEWPORT, R. I., Aug. 28.—William A. Larned fulfilled expectations to-day by winning the national championship lawn tennis singles. The victory means his third winning of the title. Larned's triumph in the final match of this the twenty-seventh annual tournament was over Hobart LeRoy, the intercollegiate champion, in straight sets. The score of 6-2, 6-2 and 6-4 does not indicate that Larned was forced to extend himself. yet such was the fact. Winning this match carried with it the title and cup, for, as announced on the previous day, the holder of the championship, W. J. Clothier, was to default his honors on account of the injury to his knee.

Jarned becomes the permanent possessor of the cup, first offered in 1901. Now that the trophy passes out of competition and a new one is to be offered, it is predicted that new conditions will govern. Hereafter all the competitors will start on an equal basis, and the winner of the tournament will no longer be compelled to meet a champion standing out who has reserved his stength for this one special match.

To a majority who sat about the Casine court to-day the match assumed the aspec of Larned's valedictory to championship com of Larned's valedictory to championship competitions. Lettoy showed how formidable he was in the very first game of the match. He forced Larned wide of position and caused him to make errors on his returns. Lettoy won the first game after once touching deuce, and that when Larned had been within a stroke of winning it. This only served to stimulate the veteran, who came up the net with a rush in the next four games and outplayed Lettoy so completely that the collegiate expert scored only three points in the four games. Then Lettoy made a splendid brace. He got Larned at close range and won a game. He forced Larned in the next two, but the veteran steadied and took the set at e-2 with the points at 31 and 16. First set:

Lerroy... 5 0 1 2 0 4 3 8—18-2
Larned began the second set with a rush, and his long drives and shots along the side lines caused him to lead at 3 love before LeRoy once more made his short places and good drives earn a game for him. LeRoy took the next game and made headway in the sixth before Larned again checked him. Second set:

DEFAULTS IN JERSEY TENNIS. Almost All the Good Men Out of the Tourns ment -- Paret Back in Game.

The lawn tennis tournament at the Eliza-beth Town and Country Club for the singles championship of the East Jersey Lawn Tennis Association was continued yesterday under rather disappointing circumstances. T. R. Pell, Frederick G. Anderson, Robert Le Roy, H. H. Mollenhauer, W. F. Johnson and R. H. Palmer all registered defaults in the play. These men, bar Hobart and Larned, were the important figures in the national championship at Newport. Furthermore K. H. Behr, who has won the cup twice, is not even drawn

The reappearace of J. P. Paret in the game of lawn tennis is about the only feature of the tournament. The Westfalls, A. S., S. A. and H. L., are prominent figures in the tourna-

HIGHBALL IN STRAIGHT HEATS. Non-Appearance of Sonoma Girl in Roger Williams Stake a Disappointment.

PROVIDENCE, R. I., Aug. 28.—Highball won the \$5,000 Roger Williams Stake for 2:12 trotters at Narragansett Park in straght heats this afternoon. The time was 2:07% for the first heat and 2:07% for the second. oma Girl did not start, as her owner, Lotta Crabtree, had decided that she should have what the stable management declared to be what the stable management declared to be a much needed rest. The non-appearance of the \$26,000 fiver was a disappointment to the crowd, as it was a foregone conclusion that there was nothing left capable of giving the son of Dr. Hooker and Lena E. any trouble. Both heats developed into processions.

Laura Bellini took the first race of the day in two straight, with Noy a close second in each. In the third race, after crossing the tape third in the first two heats. Argot Boy went out and won the next two and the race. The final event on the card was the 2:13 trot, which brought out eleven starters. Thornfield won first honors in straight heats. The summary:

New Yorks and Pitteburgs Win While Brook

The sharp fight between the New Yorks and Pittsburgs for second place in the National League finds the two still tied. The New Yorks downed St. Louis yesterday and the Pittsburgs conquered the Philadelphias. The Brooklyns were overcome by the Cubs again and the tobogganing Bostons railled and defeated the Cincinnatis. The results:

The Brooklyns made it interesting for the championa yesterday afternoon, but fought a losing fight for the reason that they were outbatted. A dozen Brooklynites were left on the bases, Overail pitching an erratic game. The giant slabman gave eight bases on balls and hit two batters, but he also struck out seven men. His wildness had his team in hot water, but they slugged out runs enough to win. The beginning of the end came in the third inning. Sheckard made a two bagger. Alperman fumbled Schulte's bunt, and then, after .wo intervening outs. Tinker flayed the pellet for a home run. The Brooklyns could not overcome the lead thus acquired. The score:

He followed Sullivan into his coop and locked both doors. Fullivan and he wrestled for ten minutes before the police were able to break down the doors and get juside. When they did they found Foxen being pummelled by Sullivan. The police escorted Foxen from the grounds, but released him when Sullivan announced that he wouldn't prefer any charge exainst the player. Sullivan said he was nit twice on the arm by the club before he was able to subdue the enraged pitcher.
